

KEEP MANSFIELD BEAUTIFUL

“Love Your City” Adopt-A-Street Program

General Information

The purpose of the “Love Your City” Adopt-a-Street program sponsored by Keep Mansfield Beautiful is to enhance the quality of life and pride in our city by presenting and maintaining clean and attractive roadways for residents and visitors alike. We sincerely appreciate your willingness to assist us in this effort. Below are some general guidelines and information of which to be aware.

- Each organization or business is limited to a maximum of three (3) adopted streets.
- Each group must commit to conducting a cleanup of its adopted street a minimum of three (3) times a year during the periods of Jan-March, May-July and Aug-Dec. Additional cleanups are welcome and encouraged.
- The enrollment fee is \$120 for the initial two-year adoption period. Renewal fees in subsequent years are \$45/year.
- After each cleanup, a report must be filed with KMB, either in writing or via the online form. Please make sure to provide pictures. When posting to social media, please use the hashtag #loveyourcity.
- Two individuals from each group will serve as designated contacts. They will provide KMB with complete contact information, including work and cell phone numbers, email and mailing address. This information must be updated if there are any changes.
- All cleanups must be lead by at least one adult who read the required safety briefing document. A safety review must be conducted before each clean up. Participants must abide by all relevant laws and safety guidelines established by the Commission and the City of Mansfield.
- Requests for cleanup supplies and equipment must be made in writing (via email or via the online contact form) no less than five (5) business days prior to the cleanup. This is to ensure the availability of adequate supplies for all.
- Clean-ups will be publicized on the City's web site, Keep Mansfield Beautiful website and Facebook page and other social and printed media as available.

Keep Mansfield Beautiful reserves the right (with a 30-day notice) to terminate an adoption if, in the sole opinion of KMB, the group is not meeting its commitment. Terms and conditions of the program can be modified at any time by KMB.
